

NEW **SPRING** & **SUMMER** HOURS!

ReStore

What is a ReStore?

A ReStore is a program of Habitat for Humanity of Greater Bangor that accepts donations of new and used building supplies, appliances, and furniture from individuals, contractors, and businesses.

The ReStore then sells these donations at a discount to the public and the profits help us build houses with low-income families in need of decent and affordable housing.

What are the benefits of a ReStore?

- Donors receive a tax write off
- Customers can save 50% or more
- Contractors gain an alternative way of disposing extra reusable materials
- Reusable materials are saved from ending up in landfills
- Proceeds help build more Habitat homes

What do we accept?

After pre-screening over the phone, we'll take:

- Kitchen & bathroom cabinets
- Working appliance (7 years or newer)
- Windows & Doors
- Flooring & Tiles
- Electrical fixtures & hardware
- Plumbing & bathroom fixtures
